Rear Admiral Sidney W. Souers
Special Consultant to the President
Executive Office Building
Washington, D. C.

PERSONAL & CONFIDENTIAL
BY SPECIAL MESSENGER

My dear Admiral:

I thought that the President and you would be interested to know that this Bureau has been furnished confidentially a list of the names of 393 persons who have been arrested since the early part of 1947 by the Metropolitan Police Department, Washington, D. C., on charges of sexual irregularities. At the time of their arrest, these persons claimed employment either with the Executive Branch of the Government, with other Government agencies or with public organizations and institutions.

For your information, a list is enclosed herewith of the names of those persons arrested who claimed, at the time of their arrest, to hold highly rated positions in Government or quasi Government agencies or with prominent organizations or groups.

A list is being furnished the Civil Service Commission of those persons claiming employment in the Executive Branch of the Government. The Armed Services and other appropriate Government agencies are being furnished lists of the persons arrested claiming employment in the respective agencies. This list has not been checked with the Civil Service Commission or the employing agencies to verify if these persons are still employed by the Federal Government.

With expressions of my highest esteem and best regards,

Sincerely yours,

J. Edgar Hoover
